

A STEP-BY-STEP GUIDE FOR Removing Red Wine From Carpet

WHAT YOU'LL NEED

MICROFIBER
CLOTH

SALT

◀ OR ▶

BAKING
SODA

WHAT TO DO

1 Blot (don't rub) the stain with a microfiber cloth.

2 Switch to a new cloth if needed and keep blotting until no more wine comes up.

3 Cover with salt or baking soda.

4 Allow to absorb.

5 Vacuum the area.

6 Repeat, if necessary.
